# NAVARINO DUNES- COSTA NAVARINO OVERVIEW

Costa Navarino is the new prime destination in the Mediterranean, with a strong commitment to environmental responsibility. Located in the Greek region of Messinia in the southwest Peloponnese, it has one of the most unspoiled and breathtaking seaside landscapes with a history of 4,500 years. It comprises two luxury 5 star properties, a state-of-the art House of Events, Anazoe Spa, two signature 18-hole golf courses, as well as a wide range of memorable activities and unique experiences for adults and children.

The logo for Costa Navarino features the words "COSTA" and "NAVARINO" stacked vertically in a tall, thin, sans-serif typeface. The text is centered within a light beige rectangular field, which is framed by thin horizontal lines above and below. The entire logo is set against a background of abstract, overlapping geometric shapes in shades of light blue and grey on the right side of the page.
